

**NOTPLA** OOHO

## **OOHO IS AN EDIBLE PACKAGING FOR LIQUIDS MADE FROM SEAWEED!**

Each one contains **25ml** of **Isotonic orange** drink, the perfect amount of hydration to consume on the go. It is **allergen free, vegan** and **100% biodegradable** in less than 6 weeks.

Ooho is simple to use: either **pop** it in your mouth and **eat** it all, or **nip** the corner and **sip** the contents. The packaging can safely be eaten or discarded on the ground, where it will **naturally disappear** in weeks.

**Try one for yourself first!**
